

STAFF REPORT

Approving Establishment of a No Stopping Anytime Restriction Adjacent to 1650 El Camino Real

Honorable Mayor and City Council:

Summary

Caltrans has received a request to install a southbound right turn only lane on the El Camino Real approach to F Street. The only way Caltrans can facilitate the request is if the parking is restricted in front of 1650 El Camino Real. Although El Camino Real is a state highway, Caltrans requests the City of Belmont to enact any parking restrictions along the street.

Background and Discussion

El Camino Real is a state highway under the jurisdiction of Caltrans. However, Caltrans requests the local agency to enact any parking restrictions along El Camino Real that may affect the adjacent land uses.

Caltrans has received a request to install a southbound El Camino Real right turn only lane outside of the existing number two-travel lane. Caltrans determined a right turn only lane can be installed only if there is no parking adjacent to the Holiday Inn Express located at 1650 El Camino Real.

City staff has received a letter from the owners of the Holiday Inn Express indicated they have no objections to the parking restrictions. A notice was sent to all affected properties within 300 feet of the proposed parking restrictions that the City Council will be considering the item on June 8th per the City's requirements.

Fiscal Impact

There is no fiscal impact as the result of this action. Caltrans will install the No Stopping Anytime parking restrictions as well as the pavement markings for the right turn only lane.
